

# 7 Safety Habits for Life

## Webinar Series

### Introduction

The 7 Safety Habits for Life is a new series of webinars developed for **all employees**. The aim is creating a consistent world view resulting in better teamwork and improved safety performance.

**Option 1. Introduction for all employees. 2 Hour Webinar.** Review the 7 Safety Habits as outlined in the sidebar poster.

The 7 Safety Habits book and workbooks are available at an additional cost.

**Option 2. One 2-Hour Webinar for each of the 7 Safety Habits.** A more detailed approach consisting of multiple webinars over a period of several months. Can be conducted using internal trainers.

This Train-the-Trainer approach consists of instructor training and coaching.

**Option 3. A customized approach based on the needs of the organization.**

### Real-World

The 7 Safety Habits are based on a series of practical tools that have been developed from real-world experience. They have been used by organizations all over the world to improve safety, human performance, and culture. During the training, some or all of the tools provided can be utilized by the organization.

### Presenter

Wilson Bateman, Author & International Speaker. President, Global Training Edge Inc. 30 years of safety experience working with Fortune 500 companies. The webinar is designed to be engaging, thought-provoking, and challenging.
